

Empowering Girls -

In **Girl Scouts**, girls discover the fun, friendship, and power of girls together. Through a myriad of enriching experiences, such as extraordinary field trips, sports skill-building clinics, community service projects, cultural exchanges, and environmental stewardships, girls grow courageous and strong.

Girl Scout Mission

The Girl Scouts mission is to help girls and young women realize their full potential outside of the home, ensuring that all girls — regardless of ability, ethnicity, income or circumstance — have the opportunity to develop leadership skills that allow them to make a difference in their schools, communities and the world.

Girl Scout membership is divided into six groups by grades:

- ◆ **Daisy K-1**
- ◆ **Brownie 2-3**
- ◆ **Junior 4-5**
- ◆ **Cadette 6-8**
- ◆ **Senior 9-10**
- ◆ **Ambassador 11-12**

The **Boy Scouts of America** is one of the nation's largest and most prominent values-based youth development organizations. The

BSA provides a program for young men that builds character, trains them in the responsibilities of good citizenship and develops personal fitness.

parental support and involvement. Parental involvement is one of the greatest keys to the success of our Scouting program. It is of the highest importance to our Scouts. When adults become involved in producing a program for their own boys, a strong Scout troop is the result.

Troop 461 turns boys into leaders! Our “boy-led” program emphasizes outdoor adventures, patrol teamwork and community service while providing opportunities for young men to

develop their skills and friendships that will serve them a lifetime. We are very proud of our strong 60 year history of building leaders with many becoming Eagle Scouts!
