Year 2 Confirmation Saint Report Guidelines

In choosing a Saint for your report, you need to think about who you are. The particular Saint chosen, should represent you, the direction you feel your faith life is taking, or would represent strength or attribute you feel you need. It is important and necessary to learn something about the Saint you choose before you decide. Once you have chosen your Saint, you will need to complete a Confirmation Saint report using the following format:

Confirmation Saint Reports that do not follow these guidelines will be returned to be redone.

1. The Confirmation Saint Reports should represent original research and composition on the part of the Candidate.
2. **Statements lifted from Websites will not be accepted. (cite your work)**
3. The Confirmation Saint Report must be at least 500 words (you text more than this) of text, typed in a 12-point font and double-spaced.
4. Include a cover sheet that features a picture of your Saint or other meaningful artwork. Be creative!
5. As you are writing about the Saint, ponder and answer the following when you summarize his or her life:
 - **Why are you choosing this Saint?**
 - **What obstacles did they have to endure?**
 - **How can this Saint help you to pray?**
 - **How can this Saint lead you closer to Christ?**
 - **How does this Saint serve as a role model of the Catholic faith in your life?**
 - **What actions do you plan to take to be a Saint?**
6. The report should explain why you selected that particular Saint as your Confirmation Saint. This is not a collection of facts but how you plan to continue to take inspiration and example from your Saint's life

Please note: The internet can be used as a resource. We would like you to research your Saint, not copy an article from the internet. **ALL WORK WILL BE CHECKED FOR PLAGERISM.**

Reports are due by: **September 30, 2018**

All reports must be emailed as an attachment to: faithformation@stlouisedm.org
