St. Louise de Marillac is a Roman Catholic community called together as family to worship, to minister, and to evangelize. As true disciples of Jesus Christ, we are called to renew His love and spirit by sharing our time, talent and treasure.

St. Louise de Marillac Mission Statement

Lent—Frequently Asked Questions

Why do we say that there are forty days of Lent? When you count all the days from Ash Wednesday through Holy Saturday, there are 46.

It might be more accurate to say that there is the “forty day fast within Lent.” Historically, Lent has varied from a week to three weeks to the present configuration of 46 days. The forty day fast, however, has been more stable. The Sundays of Lent are certainly part of the Time of Lent, but they are not prescribed days of fast and abstinence.

So does that mean that when we give something up for Lent, such as candy, we can have it on Sundays?

Apart from the prescribed days of fast and abstinence on Ash Wednesday and Good Friday, and the days of abstinence every Friday of Lent, Catholics have traditionally chosen additional penitential practices for the whole Time of Lent. These practices are disciplinary in nature and often more effective if they are continuous, i.e., kept on Sundays as well. That being said, such practices are not regulated by the Church, but by individual conscience.

I understand that all the Fridays of Lent are days of abstinence from meat, but I’m not sure what is classified as meat. Does meat include chicken and dairy products?

Abstinence laws consider that meat comes only from animals such as chickens, cows, sheep or pigs—all of which live on land. Birds are also considered meat. Abstinence does not include meat juices and liquid foods made from meat. Thus, such foods as chicken broth, consomme, soups cooked or flavored with meat, meat gravies or sauces, as well as seasonings or condiments made from animal fat are technically not forbidden. However, moral theologians have traditionally taught that we should abstain from all animal-derived products (except foods such as gelatin, butter, cheese and eggs, which do not have any meat taste). Fish are a different category of animal. Salt and freshwater species of fish, amphibians, reptiles, (cold-blooded animals) and shellfish are permitted.

I’ve noticed that restaurants and grocery stores advertise specials on expensive types of fish and seafood on Fridays during Lent. Some of my Catholic friends take advantage of these deals, but somehow I don’t feel right treating myself to the lobster special on Fridays during Lent.

While fish, lobster and other shellfish are not considered meat and can be consumed on days of abstinence, indulging in the lavish buffet at your favorite seafood place sort of misses the point. Abstaining from meat and other indulgences during Lent is a penitential practice. On the Fridays of Lent, we remember the sacrifice of Christ on Good Friday and unite ourselves with that sacrifice through abstinence and prayer.

I understand that Catholics ages 18 to 59 should fast on Ash Wednesday and on Good Friday, but what exactly are the rules for these fasts?

Fasting on these days means we can have only one full, meatless meal. Some food can be taken at the other regular meal times if necessary, but combined they should be less than a full meal. Liquids are allowed at any time, but no solid food should be consumed between meals.

Are there exemptions other than for age from the requirement to fast on Ash Wednesday and Good Friday?

Those that are excused from fast and abstinence outside the age limits include the physically or mentally ill including individuals suffering from chronic illnesses such as diabetes. Also excluded are pregnant or nursing women. In all cases, common sense should prevail, and ill persons should not further jeopardize their health by fasting.

We would like everyone to have an opportunity to receive the 2020 Lent issue and supplies are limited, so please, one per family.

LIVING STATIONS

Rehearsal for the Living Stations of the Cross will be on **Tuesday, March 3 at 6:30pm** in the Church. Living Stations of the Cross is a Passion Play that is narrated along with music and acting. Above all it is a prayer. We welcome our past participants and we invite Parishioners from middle school to college to please come and join us. For more information please contact the Faith Formation Office.

STRENGTH AGAINST TEMPTATION

The first Sunday of the season of Lent always includes a Gospel account of the temptation of the Lord Jesus in the desert by the devil. This year, the story is set against the backdrop of the first reading from Genesis, which recounts the very first temptation by the devil.

That story is set in a garden of delight. The Gospel story is set in the desert. As believers, we know that temptation comes our way in our own gardens of delight as well as the deserts of our lives.

As Lent begins, our attention is drawn to that temptation within each of us to become like God—we want control, power, and answers to all of life's difficult questions. As communities of faith, we are given this season of repentance so that we can join our hearts with others on the difficult journey of conversion. We look to God and to one another for strength against temptation.

THIS WEEK'S HIGHLIGHTS

Moving Forward in Faith

Your life has a purpose: to love God and to spread the hope and light in a world desperately in need of both. The Church, too, has a responsibility: to boldly witness to the power of grace and healing through Christ—in our families, our parishes, and our communities.

The Moving Forward in Faith campaign gives us the opportunity to renew not only our spirit, but the ways in which we live out our faith in our parish.

Completing A Good Work

Our parish seeks to create:

Safety: By closing a dangerous parking entrance as well as redesigning and repaving the parking lot we seek to make our campus.

Security: An encompassing set of gates and fences to keep our children safe.

A Revitalized Place to Worship: We seek to improve the lighting, sound, flooring and make other renovations in the church building.

We are all Called to Renew

Our campaign will also make a contribution to the Archdiocese Called to Renew which seeks to:

- ◆ Renovate facilities to ensure there are safe spaces for families to learn, grow, and worship.
- ◆ Reaffirm our support for priestly vocations.
- ◆ Reinvigorate our ministries to serve those who are sick, dying, and imprisoned, as well as their families.
- ◆ Reimagine faith formation so people of all ages can grow in their Catholic faith.

In the coming weeks, our Ambassadors will be calling families to explain the campaign and answer your questions. We hope you will welcome their invitation to meet with open hearts. Thank You!

COLD AND FLU SEASON

You are reminded to use common sense in your participation at Mass during the annual cold and flu season. If you are feeling ill or think you may have been exposed to a virus, you should refrain from offering your hand to others at the Sign of Peace (or during the Lord's Prayer). A smile and a heartfelt, "Peace be with you," should suffice. Likewise, if you are not comfortable sharing the sign of peace for fear of infection, you should not feel pressured to do so. All of us must be aware of such sensitive matters in the intimate life of the Christian community. We should expect that some will refrain from participating in the liturgy or the sign of peace out of care for our wellbeing and not out of unkindness or lack of piety.

ADORATION FOR REPARATION

Adoration for Reparation will be observed **Friday, March 6th in the Church** beginning after the 6:20 AM Mass until Saturday morning, March 7th, 7:45 AM. Rosary and Morning Prayer (Liturgy of the Hours) will be in the Conference Room prior to Benediction and Reposition of the Most Blessed Sacrament.

Guardians of the Hour are asked to please contact Janet Brause through the Parish Center if you will be unable to keep your scheduled hour. We continue to pray and ask God's healing of all who have been hurt by Church members, and for the sanctification of all clergy and laity.

Second Reading — Death reigned from Adam to Moses, but now grace and life abound in Christ Jesus (Romans 5:12-19 [12, 17-19]).

DID YOU KNOW?

Personalize your fire safety plan

Research shows that having a fire escape plan, and executing it quickly, greatly increases the chances of a successful escape from a house fire. In studies, researchers tested standard high-decibel smoke alarms on sleeping children, and found that just over half the children woke up to the noise. However, when researchers used personalized messages recorded by the children's parents in conjunction with the beeping smoke alarms, almost 100 percent of the children woke up and successfully followed their escape plan. For more information on fire safety, get a copy of the VIRTUS® article "A New Study Sounds the Alarm on Children and Fire Safety - What Can You Do?" at <http://www.la-archdiocese.org/org/protecting/Pages/VIRTUS-Current-Online-Articles.aspx>.
