St. Louise de Marillac is a Roman Catholic community called together as family to worship, to minister, and to evangelize. As true disciples of Jesus Christ, we are called to renew His love and spirit by sharing our time, talent and treasure.

St. Louise de Marillac Mission Statement

Sacrament of Marriage

"I, (name), take you, (name), to be my wife/husband. I promise to be faithful to you in good times and in bad, in sickness and in health, to love you and to honor you all the days of my life."

It is a simple vow declaration. Faith, Love and Honor. This is what you promise on the day you get married. 'What God has joined together let no man put asunder.' (Matthew 19:6) This is what scripture has to say about lifelong marriage, and this is what we as Catholics profess.

Why is marriage a sacrament? The sacrament of Matrimony signifies the union of Christ and the Church. It gives spouses the grace to love each other with the love with which Christ loves his Church; the grace of the sacrament thus perfects the human love of the spouses, strengthens their indissoluble unity, and sanctifies them on the way to eternal life. - CCC 1661 It was established for the good of each other and the procreation of children.

In the Catholic tradition, husband and wife accept a role in God's plan for humanity. They are to be ambassadors of God's love. Knowing that your bond is permanent should be a comfort. All couples want their marriage to last a lifetime. Having a partner who is committed for better or for worse, in sickness and in health, should make people happier and healthier.

But married life is difficult and today many couples find it hard to keep their promises. Many young people have grown up experiencing the pain of divorce. While wanting to marry, they find it hard to believe that marriages can last a lifetime. They are afraid to commit. One of the benefits of a sacramental marriage in the Catholic Church is the power of God's grace, which helps spouses keep their commitment and find happiness together. This does not mean Catholic marriages have fewer problems than any other marriage. What helps these couples grow and overcome obstacles is the help they find in God's grace.

I want to emphasize this: Grace! Every Sacrament comes with grace. You should never underestimate the power of grace. Catholics married in the Church experience lower rates of divorce; about 28% compared to about 40% in the general population. That's still too high. We need to do a much better job at preparing couples for marriage.

Any of you who have gotten married in the Church recently know that we do not allow a couple to get married immediately. We expect there to be about a six-month period of preparation. A good percentage of this time should be for pre-nuptial counseling. The purpose of pre-nuptial counseling is to help the couple discover how they will navigate marriage. Here at St. Louise, we administer a FOCCUS inventory test. It emphasizes communication between the couple. First, a couple needs to understand his or her partner. Do you share values? What is your attitude about children, finances? What is your style of conflict resolution? Are you an extrovert or an introvert? It has been my experience that introverts tend to marry extroverts. You can be very different from your proposed partner, but you will need to learn how to negotiate and compromise. If you can learn to listen and hear one another and then calmly discuss the issue at hand, you have a better chance of negotiating a compromise. This is an essential tool for marriage. Your next tool is prayer. Your marriage was granted grace. Call on the Holy Spirit for help. I promise you; God WILL help.

UPDATED COVID GUIDELINES

The reopening plan for the State of California, the County of Los Angeles and the Archdiocese means that some changes will be made to the health orders that have guided our practices during the pandemic. For a full list of these guidelines, please visit our parish website.

Most notable among the changes is that the dispensation from the obligation to attend Mass Sunday Mass and Holy Days in response to the coronavirus pandemic is lifted effective June 19, 2021.

Due to the ongoing renovations in church, we will not be able to return to the inside of the church for a few more weeks. This is a great sacrifice our community is making, especially as the weather begins to heat up! We are grateful for your patience as we endure these last few weeks of inconvenience.

There are some other changes that will be implemented now:

- We can now open for prayer group meetings, ministerial gatherings, and social gatherings provided that sensible public health precautions are observed. Groups and ministries are allowed to meet indoors. Due to the construction, our indoor meeting spaces will be limited. We will try to accommodate meeting requests to the best of our ability. Please contact the Parish Office for any questions or to reserve a room.
- Masks are not required for fully vaccinated individuals outdoors or indoors for religious services or gatherings.
- Masks are required for unvaccinated individuals outdoors when social distancing is not possible, and at all times indoors.
- We will no longer be taking reservation for Confessions. Instead it will be first come, first serve basis. Confessions will take place inside the 5th Grade and 8th Grade classrooms. Please line up on the sidewalk below the classrooms. Confessions will still be on Wednesdays from 4 PM to 5:15 PM and Saturdays from 2:30 PM to 4 PM.
- If you are feeling ill, please stay home.

We are grateful for everyone's cooperation and patience as we begin to implement a return to opening our facilities. Praise be God and may we all continue to be considerate of each other and pray for those who have suffered because of the pandemic.

The Parish Office, School and Faith Formation will be closed on Sunday, July 4th and Monday, July 5th in observance of Independence Day.

THIS WEEK'S HIGHLIGHTS

Renovation Realities

As work progresses along in the church it appears very likely that the August 14th/15th date set for reopening our worship space is quite possible, with a remote chance it could be slightly sooner. It is also quite possible that the new font will not be completely ready for use at that time, but that fact should not prevent us from using the church space.

Work began this past week to install the limestone stair treads for the altar platform and the LVT (luxury vinyl tile) under the pews. We hope both of those tasks are completed next week and then the tile flooring on the altar can be installed and the pews begin to return for installation.

Turning to the roof renovation above the school and Faith Formation buildings, quite a bit of extensive dry rot and damaged wood was uncovered as the old roofing material was removed. Several areas of sagging stucco will also need to be replaced, in addition to the fascia stucco that was already planned to be replaced. Replacement work has started but will obviously add to the project timeframe.

Your patience and support for these projects is greatly appreciated. Maintaining and improving our facilities is one way for us to ensure that future generations will be able to enjoy the quality facilities that are here today because of those who came before and made their own sacrifices. THANK YOU!

Next week: Vacation schedules may not allow for an article next week.

Below: Updated pictures of the flooring underneath the pews and the School roof.

CA COVID-19
RENT RELIEF

Rent Past Due?

Renters and landlords have enough things to worry about. Past due rent shouldn't be one of them.

If you're an income eligible renter who has experienced a financial hardship due to COVID-19 and have past due rent, or you're a landlord who has experienced a loss in income because of unpaid rent, you may be eligible to get financial assistance now through the CA COVID-19 Rent Relief program.

Who Can Apply?

Landlords who have income-eligible renters experiencing a financial hardship due to COVID-19 with past due rent.

Renters who have experienced a financial hardship due to COVID-19, have past due rent or utilities, and have a household income that is not more than 80% of the area median income.

How Much Rent Relief Will I Get?

Landlords can get reimbursed for 80% of past due rent accrued between April 1, 2020, and March 31, 2021, if they agree to waive the remaining 20% of unpaid rent.

Eligible renters whose landlords choose not to participate may still apply on their own and receive 25% of unpaid rent accrued between April 1, 2020, and March 31, 2021 through a direct payment to their landlord. If a landlord refuses direct payment, the 25% can be paid to the renter to pay missed rent to their landlord by June 30, 2021. Paying 25% of past due rent by June 30, 2021 can help keep renters in their homes under the extended eviction protections provided in SB9!

Eligible renters can also receive help paying future rent, equal to 25% of their monthly amount to help them stay in their homes, and 100% of up to 12 months of unpaid or future utility bills.

How do I Apply?

To check eligibility requirements, apply or find a Local Partner Network organization who can assist you further, visit HousingIsKey.com or call 833-430-2122, toll free.

HousingIsKey.com

Priority will be given to households at the greatest risk of eviction.

THE FIRST MARTYRS OF ROME

June 30th

After a raging fire destroyed two-thirds of Rome in 64, Emperor Nero blamed Rome's Christians to divert suspicion from himself. Those acknowledging their Christianity were arrested and executed.

Some were covered in wax and set afire as torches; some were sewn into animal skins and cast into the arena with wild animals; others were

crucified. Sts. Peter and Paul died in the same persecution. The feast of these earliest martyrs of the Roman church is celebrated a day after the joint feast of Peter and Paul. The Roman historian Tacitus said the protomartyrs were to be pitied "for it was felt that they were being sacrificed to one man's brutality."

DID YOU KNOW?

Foster one-on-one relationships safely

One-on-one time with trusted adults is healthy for children and helps them to build self-esteem and long-term relationships. You can protect your child while still ensuring they have time and opportunity to build these relationships. You can drop in unexpectedly when your child is with another adult, even if that person is a trusted family member. Insist on observable outings, in public places. Talk with your child after an outing, noting his mood or her ability to confidently tell you what happened. For more information, visit <https://www.d2l.org/education/5-steps/step-2/>.

For more information on other ways to keep kids safe, contact Linda Filkins, the Parish Safeguard Committee Chairperson at (626) 214-7846 or the Archdiocesan Safeguard the Children Office at (213) 637-7227. For particular help, call the Victims Assistance Office at (213) 637-7650.
